# NEAPOLITAN PIZZA

**Our pizza is handmade with slow rising dough, baked in hand-crafted, wood-fired ovens- built specifically for Brick. Our pizza is soft, light, and pliable. Charring along the crust is a telltale sign of a Neapolitan pizza that has been baked correctly, giving it the delicious taste and unique texture. Pizza is an artisanal product, so it could be slightly different from pizzeria to pizzeria and our goal is to provide you with an authentic Neapolitan experience!**
